SENATORIAL COMMITTEE TO SETTLE CONTENTION

**Anderson and Hamilton Leave Mat-
ter to Chairman of District
as to Which shall Run.**

Col. Clifton R. Anderson, of Boyle county, and Hon. James I. Hamilton of Garrard rival candidates for the democratic nomination for State Senator, from this district, composed of the counties of Lincoln, Garrard, Boyle and Casey were here yesterday in the interest of their candidacy. Some discussion has been indulged in through the press and by the people generally as to what county has the right under the rotation order to name the nominee, and when the above named gentleman met here each one naturally contended that it was his county's time for the honor.

Finally they agreed to leave the matter to the senatorial committee of the district. This committee is composed of the chairmen of the several counties. Mr. Hamilton is chairman of Garrard, George L. Penny, of Stanford is chairman of the Lincoln county democratic committee. Chemung Hugely is head of the Boyle county organization and Charles Montgomery is chairman in Casey county.

Mr. Penny, by virtue of Lincoln having the largest delegated vote, is chairman of the district and will call the committee together. He has not yet made up his mind or where he will call the meeting but it is generally believed that Stanford will be the place, as it is more nearly the central point of the district and is convenient to all parties interested.

In the meantime there will be some tall hustling by the candidates and their friends and the chairmen of the several counties will be very popular for the next few days. In as much as Mr. Hamilton is chairman of his county committee, it is believed he will waive his right to cast a vote, and will put it up to the remaining three chairmen.

Casey Girl Suicides

Miss Octavia Godbey, the beautiful 17-year-old daughter of Mr. and Mrs. William Godbey, took her life early last Wednesday morning at her home near Humphrey, by discharging the contents of a shot gun in her body inflicting almost instant death. She left no note assigning her reason for the rash act, but it is generally accepted by her friends that it was a disappointment in a love affair.—Liberty News.

FOUR LINCOLN FANCERS

Enter Hens in Winter Egg Laying Contest Now on

Lincoln county has the most progressive poultry breeders of any in the state. And they are becoming more numerous every year. Two Lincoln fanciers participated in the egg laying contest conducted by the Louisville Evening Post last summer and three have entered in the contest which is being held for winter layers.

The three fanciers who were represented in the summer competition are also entered in the winter contest, one of them, Mrs. S. J. Embry, with two pens, as she is showing a pen of her great winter layers, the English Salmon Faverolles, as well as her prize Buff Orpingtons. A. C. Alford, the White Leghorn man, has confidence in his birds in winter as well as in summer, and has pen of fine hens competing under his name in the winter list. C. S. Lyons, the well known miller out on Hanging Fork is a great admirer of a believer in the black Langshans, and has entered a pen of these strictly cold weather fowls. While none of the local entries is leading the classes as yet, all are well up "in the running" and are giving good account of themselves.

Kentucky Kardinals Entertain

The Kentucky Kardinals delightedly entertained their many friends with a banquet Thursday evening in their handsome little club house in Maywood. After the prayer offered by Bailey Sampson, the guests were served a two course supper. The menu consisted of oyster soup, celery, olives and pickles, fried oysters, corn cakes, light bread and coffee.

After all had been served the toast master, Mr. Marion Fields, called on Mr. J. W. Fields to give the welcome address. And when he had finished all felt that they were truly welcome. Mr. Fred G. Watkins was then introduced as secretary of the club, who read the constitution and bylaws. Several compliments were passed as to the ability of the Kardinals as to constitution making.

Is Peruna a Laxative?

I am in receipt of a letter from a mechanic who is at the head of a prosperous household. Peruna has been used in his family for a good many years. He writes as follows:

"As you know, we have used Peruna in our home for a number of years. We find it a reliable household medicine in catarrhal conditions, coughs, colds and grip, and many other ailments to which the family is subject. But since the change in the formula of Peruna I do not find it quite as useful to myself. My bowels are naturally very active. I cannot take a cathartic of any sort. It does me injury to do so. The old Peruna contained no cathartic ingredient and was therefore a very useful medicine to me. But I notice that the new Peruna has a slight laxative action, which almost makes it prohibitory for me to use. I was wondering if there was not some way in which I could obtain the old Peruna as you used to make it."

To this letter I made the following reply: "Yes, the new Peruna does contain a laxative element. You should therefore take the old Peruna (Kata-tar-no) which has no laxative quality. While prescribing the old Peruna I found it quite necessary frequently to prescribe the laxative Manalin in connection with it. Therefore Manalin was combined with Peruna, in order to meet those cases that require a laxative. But in case no laxative is required the objection to the new Peruna you speak of arises. Many of the people who used to take the old Peruna found difficulty in taking the new Peruna. To meet those cases I am having manufactured the old Peruna under the name of Kata-rano, and if you are anxious to get the old Peruna exactly as it used to be made you can do so." PERUNA IS FOR SALE AT ALL DRUG STORES.

SPECIAL NOTICE—Many persons are inquiring for the new Peruna. To such would say, this formula is now put out under the name of KATA-TAR-NO, manufactured by KATA-TAR-NO Company, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.

**HOW MIDWAY
CAME TO LIFE**

A \$20,000 Investment on Its
Boys and Girls.

IN MODERN SCHOOLHOUSE.

The Town Began Three Years Ago to
Realize the Importance of Conserv-
ing Its Future Citizens' Health and
Mentality—Plenty of Room to Play.

Many rural communities feel that
any building and any grounds will do
for school purposes. These communi-
ties have never thought definitely how
far they have progressed in so many
other lines. The average man will say
when you press him for a reason for
the poor school equipment in his neigh-
borhood, "Well, that school was good
enough for me, an' I reckon it's good
enough for my children." His own
home, his farming implements, his

barns and all else in his life have
changed from a "tallow candle and
homemade nail" age to an "electric
light and a steam thrasher" age.

Three years ago Midway and the sur-
rounding country began to think it was
time to have twentieth century school
plant. They began to feel that it
would be well to have a building as
good as any of their churches. At
first the general public shook its head
and mumbled under its breath, but
gradually it began to see the wisdom
of the movement and at last voted the
funds necessary.

While the trustees planned a school
that should be a credit architecturally
they did not forget to buy enough
ground to give the energetic young
sters that were to be trained ample
elbow room. The beautiful building
stands well back from the turnpike
on five acres of fine blue grass land.
Behind and to one side of the school
building is a comfortable stable stalled
to hold twenty-four horses.

As is usual in school affairs all over
the country, the trustees built this
school with an idea of its taking care
of all the pupils in the district for the
next fifty years. Now, after only two
and a half years, they are beginning to
see the natural result of a fine grow-
ing school spirit among both children
and parents. Today five grade and two
high school teachers manage to teach
the 250 boys and girls that are en-
rolled. This number is just fifty more
than were enrolled last year. It is
now plain that the school will have
to add a new teacher each year to take
care of the steady increase, and in five
more years an addition will have to be
built to take care of the children. Be-
sides this yearly increase, the trustees
claim that very few of those enrolled
even try to play truant. Ample play
grounds, clean, warm schoolrooms,
comfortable single desks, light and
pleasant surroundings make school go-
ing less irksome, and the incentive
for "playing out" has been removed.

Several schools rolled into one make
many things possible. It allows the
school fund to pay for a reliable jan-
itor, who can heat, clean and care for
the property as it should be cared for

MIDWAY'S SUCCESS.
It provides teachers for the different
grades and makes efficient and strong
work. By bringing many children to-
gether it gives a chance for the child
to develop his social nature in a group
of his own age. That the school at
Midway is a success is to put the mat-
ter lightly. A school that has en-
rolled fifty new pupils this year, that
has added fifty children to the school
population of Midway, that makes the
renting of any kind of house in the
town an impossibility, that in two
and a half years does not show a
scratched wall or desk, is a huge suc-
cess.

Does all this answer the question of
investment? Can any one ever figure
exactly what strong, men and women
in a community are worth? The
school cost the community \$20,000.
Is the money a good investment for Mid-
way? The answer can only come by
asking any of the residents in the dis-
trict of those who are willing to send
their children five or six miles and
pay extra tuition to have them in a
real live twentieth century school.

Expected from Congress

Washington, Dec. 10.—Representative Yates Webb, of Tennessee will make a determined effort to secure action on his liquor bill early in the short session of congress. He will attempt to secure final action on his measure by the time the senate has disposed of the Kenyon-Sanders bill which has been set for a vote December 16. The Webb bill and the Kenyon-Sanders bill prohibit the shipment of liquor into prohibition states for illegal purposes. Senators Sanders and Kenyon are expected to get aggressively behind their measure as soon as congress meets.

Congressman Webb introduced his measure nearly three years ago. Later, what is known as the Kenyon-Sheppard bill was introduced. It simply embodies the Webb bill with an added section providing that there shall be no property right in such liquor while in the possession of any railroad or express company or other common carrier in connection with any shipment or transportation thereof in violation of this act."

The Sheppard section was struck down by the senate judiciary committee and the Sanders amendment giving to the states police powers over unlawful shipments was accepted.

Mr. Webb has good reason to believe that the house judiciary committee, of which he is ranking member, and the house leaders will interpose no hindrance to action on his measure.

With the Kenyon-Sanders bill and the Webb bill passed by the two houses, the minor differences between the two measures would be adjusted in conference.

Cattle for the court day markets here Monday began coming in late Saturday afternoon and by dark there were about 400 quartered at Nunnelley's big stock pens near the depot. Buyers were on hand early and those who came in after 4 o'clock Monday morning found the pick and choice of the Saturday consignment had been taken up by the out of town buyers.

A fair market prevailed, however, throughout the day. Logan Thompson disposed of a bunch of feeders to Hill, of Garrard county, at 5 3-4 cents. Mitchell Taylor, of Boyle, bought of J. D. Whitehouse, of the same county, a bunch of 100 pound cattle at 5 3-4 cents.

Rose & Littrell, of Clark county, and Peel Bros., of Jessamine, stole a march on the others and by early "candle light" picked up good bunches weighing all the way from 400 to 700 pounds at prices ranging from 4 to 6 cents.

G. E. Lutes sold to James McCormack, of Casey county, a bunch of steers at 5 cents. F. L. Thompson sold to McWhorter, of Garrard, a lot of good heifers at 4 3-4 cents. They weighed 500 lbs.

Rankin and Son of Hubble, shipped to Odessadale, Ga., last week a carload of mules bought here at prices ranging around \$150. Reports from the Southern market are not very encouraging and shippers are refraining from sending large consignments south.

J. E. and R. T. Bruce delivered hogs weighing 280 pounds at \$18 to Dick Gentry, of Boyle, 20 contract hogs weighing 280 pounds at \$8 per hundred. 2 to J. S. Baughman weighing 465 each at \$7.50, 1 to Dick Farmer weighing 500 pounds at 7 cents the red listed stock.

Wm. Matheny, of the southern part of the county, bought of different parties a bunch of stock shots at 5 1-2 cents, and sold to Peel Bros., of Jessamine, a good lot of 700-pound beefeves at 5 1-4.

B. D. Holtzclaw, of the Walnut Flat section, bought of Lathan & Burton, of Pulaski, a drove of 20 700-pound steers at 5 cents. Holtzclaw delivered to Clegg Coleman, of Mercer county, a bunch of 900-pounders at 5 cents.

Josiah Anderson, of the Preachersville section, sold to Lawson & Brown, the Garrard traders a bunch of 14 hogs, that averaged 135 each. They paid him six cents a pound for the porkers.

James Yowell, of the West End delivered to J. D. Whitehouse, the Boyle county trader, a bunch of 35 700-pound cattle average, for which he received 5 1-4 cents. J. N. Vanhaal sold to Hatfield Bros., a pair of yearling mules for \$180. Mrs. Broadus, out on the Danville pike, sold to J. A. Spoonamore some fat hogs at 6 1-2 cents.

Shade Wilder, who has ten acres on Senator R. L. Hubble's farm, of what is said to be the finest white burley tobacco grown in Kentucky this season, refused a bona fide offer of 15 cents a pound for it here Saturday. He says he is holding it at 20 cents a pound. He believes that his crop will weigh close to 20,000 pounds. Experts, who saw this tobacco early in the season, predicted that it would make a magnificent crop and Mr. Wilder is said to have obtained as good results with it as were expected. He is undecided as yet whether to sell it privately or take it to the Danville or Lexington breaks.

W. P. Kincaid, the well known local tobacco buyer, paid Harry D. Frye, of the Hedgeville section, 13 cents a pound, for his crop, last week. Mr. Frye had about 3,000 pounds of it the weed, and had it in nice shape. He will deliver it to the buyer at the warehouse here.

R. C. Arnold, the local stock dealer, bought of H. B. Davis, two fat cows weighing 2,000 pounds paying \$3.65 for them; of J. B. Paxton an 800 pound cow at 3 1-2e, of J. B. Sears, one weighing 87 pounds at 3e; one of John Gooch that weighed 1,000 pounds, at 4e; a Jersey of Mrs. Craig Gooch at \$40 and one of F. Myers weighing 900 pounds at 3 1-4 cents.

Ike Phillips, of the Walnut Flat section, lost a calf last week from black leg. The animal showed signs of sickness late Thursday afternoon and died in a few hours. Mr. Phillips upon investigation found that the trouble was black leg, and immediately vacinated all his other cattle. A year ago he lost a steer from the same cause but vaccination prevented any further spread of the malady. Farmers and cattle dealers generally would do well to use every precaution against the spread of this contagious and deadly disease. Mr. Phillips has no idea where or how the calf became infected.

When you have a bilious attack give Chamberlain's Tablets a trial. They are excellent. For sale by G. L. Penny.

Freak Ear or Corn

J. M. Gooch brought to this office Saturday an ear of corn raised on his farm near Goshen, that is indeed a freak of nature. The ear is not of extra length, being only 10 inches, but the circumference is exactly equal to the length and there are three distinct sizes of kernels on the cob, giving it the appearance of having been in its growing state at least 2 separate ears and some pressure having brought them together, it consolidated into one. The cob is not round, but is round from all appearances and on different parts are to be found clusters of about half a dozen kernels, each of which are somewhat separate from the rest. The freak weighs 1 3-4 pounds, contains 26 rows and is very highly prized by Mr. Gooch.

THE CHANCE OF A
LIFE TIME !

This announcement is worthy of your consideration. It's really worth your while to make a mental note of, and come here to see the merchandise, whether you are in immediate need right now or not.

A special Sale of such unusual importance (at this time of year) requires a little explanation; an explanation with a clear truthful ring. Now, just between we two: we've got to raise money, not just a few dollars, but a great big cart-load. We've got to have it in the next few days—and that without fail.

Our stock is immense—the merchandise, new and up-to-date—all of this season's styles.

We've calculated that ten days of good selling—like merchandise at these prices, ought to sell—\$10,000 will just about turn the trick, and therefore, we've made the prices tempting enough to attract your attention.

Our GUARANTEE. We assure each and every purchaser satisfaction. We guarantee every garment, every price and every statement here made, and we will take back, exchange or refund money on any purchase unsatisfactory for any reason whatever during this sale. Every article and garment in the house marked in plain figures. ONE PRICE TO ALL.

NOTICE Our store will be closed on FRIDAY, DEC. 13, to remark and arrange for the big sale to commence SATURDAY, DEC. 14th.

Ten Days Only. Opens at 9 o'clock a.m.
